- Unfastened shoelaces and overlong jeans are a trip hazard. Laces should always be tied and trousers the correct length.
- Eating – and especially chewing gum – presents a significant choking hazard and is strictly forbidden during dance or exercise.
- Nuts and some energy drinks can cause an allergic reaction and are therefore not permitted on site.
- It is important to keep hydrated while engaging in any form of physical activity. Free soft drinks are available in the kitchen.
- Fire Action Notices are displayed throughout the building. Please read them and familiarize yourself with the Fire Exits and Fire Assembly Point, which is situated across the driveway from the main doors, behind the electricity sub-station (small brick building).
- Please switch your mobile phone off or to silent when participating in classes.
